

**Social Media Opt Out Form 2017-2018**

Roland Park PTSA continues to use social media to communicate with our membership. Stay connected by following us on Twitter **@PTSARolandPark** and “liking” our Facebook page: **Roland Park K-8 Magnet PTSA**

The goal of the PTSA Facebook page is to provide reminders of important dates, post information about events, as well as spotlight school awards and activities. It is also a forum for parent comments and questions. The PTSA Facebook page is not intended for personal advertisement and will be monitored by Roland Park PTSA officers in the interests of all students and their families.

Occasionally, group pictures and/or videos of school events may be posted to the PTSA Facebook page and our school Twitter page. If you do not want your child’s picture or video to appear on either of our social media pages, please complete and return the opt-out form below.

*If you have any questions or feedback, please contact [ptsamailbox@rolandparkptsa.org](mailto:ptsamailbox@rolandparkptsa.org)*
