

FUN NIGHT OUT FOR KIDS AND PARENTS

Bring your kids to a fun and safe space to enjoy an evening of games, music, pizza, and lots of laughs. The 8th graders will keep the kids busy playing lots of fun games. The Dojo is walking distance to the Armature and the River Walk, so parents can take full advantage of a lovely night out. Park your car and walk or bike down to all the awesome downtown attractions: Tampa Museum, Shuffle, Ulele, the river taxi, the armature, and so much more!
