

United States

Good Works and the Grand Canyon

Spend the first week of June with other Roland Park K8 students at one of the 7 wonders of the world, The Grand Canyon. Explore the natural beauty of Arizona and give back to communities in need. Prep and serve healthy meals to those less fortunate and help sort and package meals that will be distributed throughout northern Arizona. You will have a chance to bike around the South Rim of the Grand Canyon, one of America's most iconic natural landmarks. There will also be time to explore Native American ruins and underground caves. Space is limited, sign up today!
